Academic History

Federal Institute of Rio de Janeiro - IFRJ**Higher Certificate | Digital Games**

Mar. 2019 - Feb. 2022

For 3 years I studied how the process of developing and publishing a game works. Among the subjects studied are: Animation, Game Design (in which I specialize), Programming, Management, and others.

ICOT College**General | English**

Mar. 2022 - In progress

Since March 2022, I came to Ireland to study and improve my english
